I. INTRODUCTION:

A. The purpose of this course is to introduce students to the basic movements and techniques of Kickboxing/Aerobics. This course is not intended to provide instruction in self-defense or to attain a martial arts belt/degree. The movements and techniques employed have been modified to serve the purpose of providing a cardiovascular workout. This is a non-contact Fitness Class.

B. This course meets curriculum requirement for the Central Texas College programs for an Associate Degree and the transferability of courses to other institutions.

II. OVERALL OR GENERAL OBJECTIVES OF THE COURSE:

Upon successful completion of this course, Kickboxing/Aerobics, the student will be able to:

A. Discuss the health-related components of fitness to include: cardiovascular endurance, muscular strength, muscular endurance, muscular flexibility and body composition.

B. Discuss the skill-related components of fitness to include: power, speed, agility, coordination, reaction time and balance.

C. This course will also provide the participants with the basic skills and knowledge needed to develop and implement a safe, effective and realistic fitness program. This is achieved by reading, completing any assigned work and active participation. Students will participate in various types of kickboxing/aerobic conditioning to include: basic punches and kicks, circuit training, interval training, resistance training, flexibility training and running.

D. Participants will learn how to determine and monitor aerobic intensity, assess their current level of fitness and nutritional habits and set realistic goals. This, along with an understanding of the basic principles of fitness training and safety guidelines, will help students exercise safe and smart today and for a lifetime.

E. Follow the recommendations for adequate nutrition.

F. Experience physical improvements in fitness components.

G. Develop a lifetime personalized fitness program to improve wellness.
III. INSTRUCTIONAL MATERIALS:

1. Required Text: The instructional materials identified for this course are viewable through www.ctcd.edu/books

4. Pass written and skills assessment technique examinations.
5. Demonstrate improvement in aerobic skills and technique.
6. Completion of all assignments, fitness assessments, and written tests.

GRADE COMPUTATION

1. Participation/class conduct ** 200 points (66 % of your final grade)
2. Written Exams, pop quizzes, assignments 500 points (34 % of your final grade)

** PARTICIPATION/CLASS CONDUCT

A participation grade will include: 100% attendance, suiting out in proper attire, positive contributions to class, and promptness in beginning activities, constant and maximum effort toward activity objectives, overall motivation, attitude, and demonstration of good sportsmanship. Participation also includes completion of two Fitness Assessments and any required assignments on time.

WRITTEN EXAMINATIONS AND ASSIGNMENTS

There will be two assignments and two written examinations. Any assignments turned in after the due date will be accepted; however, the maximum grade will be 70 points. All students are required to take a Final Examination. An IP (incomplete) will be awarded until the student completes all the requirements for the class.

ABSENCES AND TARDINESS

**Absences number one (1) and two (2) – No penalty from your final grade.
**Absence number three (3) – Five (5) points will be deducted from your final grade (based on 100 point scale).
**Absence number four (4) – Ten (10) additional points for a total of 15 points (which includes the five points for absence number three) will be deducted from your final grade based on a 100 point scale).
**Should you exceed four (4) absences, **YOU WILL BE withdrawn from the class. (See “CTC absentee policy” in college catalogue). In addition, two (2) points will be deducted from your final grade for each tardy beyond two (2). There will be no make-up classes! – The student can give a courtesy call to inform that he/she will not attend class. However, for attendance purpose, this will not be considered as been excused from class. A student who registers late will be responsible for the days they have missed. Also, a doctor’s note will not excuse you from class. **SHOULD A STUDENT DECIDE TO LEAVE EARLY FOR ANY REASON, HE/SHE WILL BE COUNTED ABSENT FOR THAT DAY. NO EXCEPTIONS!**

A student will also be required to provide a documented excuse when he/she misses a written examination. It will be the student’s responsibility to arrange a time to take the missed exam immediately upon returning to class. Students who fail to make immediate arrangement with the instructor will not be allowed to make-up the exam.

ATTENDANCE PROCEDURES:

It is the responsibility of the student to sign the attendance sheet before class only after he/she is properly dressed and ready to participate. Class officially starts 5 minutes after the scheduled time. Failure to sign in will result in a recorded absence. Students who arrive more than 15 minutes after the scheduled class time will be counted absent. Additionally, students who leave early without consulting the instructor will be counted absent. Students who sign in and leave will be penalized and subject to administrative withdrawal.

CLASS ATTIRE:

The Physical Education Department requires court or athletic shoes, however given the nature of this class, it is preferred that students wear cross-training/aerobic shoes, which are specifically designed for this activity. Students may not participate in street clothes or street shoes. A **plain white t-shirt and black or dark blue shorts will be sufficient and required for this class.**

Students will not be allowed to attend class unless properly suited out and will be counted absent for the day. Only water is allowed in the gym.

MEDICAL:

Students who have a health problem should obtain a document from a physician explaining the problem and approval for participation. A current physical exam is recommended.

Disability Support Services provides services to students who have appropriate documentation of a disability. Students requiring accommodations for class are responsible for contacting the Office of Disability Support Services (DSS) located on the central campus. This service is available to all students, regardless of location. Explore the website at [www.ctcd.edu/disability-support](http://www.ctcd.edu/disability-support) for further information. Reasonable accommodations will be given in accordance with the federal and state laws through the DSS office.
